

VAPING AND E-CIGARETTES THE FACTS

MOST CHILDREN AND YOUNG PEOPLE DON'T VAPE OR SMOKE.

Vapes containing nicotine are age-restricted products: it is illegal to sell them to under 18s and for adults to buy them on their behalf.

VAPES ARE NOT HARMLESS.

Short-term effects can include **coughing**, **headaches**, **dizziness**, and **sore throats**. Long-term effects are as yet unknown.

HARMFUL FOR THE ENVIRONMENT.

Over 8 million vapes are thrown away every week or recycled incorrectly. Vapes contain batteries and difficult-to-recycle plastics that break down in landfills.

Those who knowingly sell to under 18s are driven by profit and don't care who they sell to.

DON'T BE DUPED!
